Baptiste Gomez

I'm a computer sciences student at ENSEEIHT, an engineering school in Toulouse, France. Being passionate about computer sciences and more specifically cybersecurity, I would want to continue learning and get a job in this specific field.

Education

2018-2021
Cité Scolaire Internationale, Lyon
Graduated from Highschool with honours

2021-2023
Classe Préparatoire, Lycée Claude Fauriel, Saint Etienne
